

WHAT IS A.S.C.Y.P.A.A.?

ARIZONA STATE CONFERENCE OF YOUNG PEOPLE IN A. A.

This letter is an invitation to your home group, sub-district, district or just you and some friends to bid for the Arizona State Conference of Young People in Alcoholics Anonymous. It is also to provide some information about the conference. There is no age requirement to attend an ASCYPAA, nor to be involved with putting it on. The purpose of ASCYPAA is to carry the message of AA, as well as to create unity among AA's of all ages, to share our common bond, and introduce those involved to the wonderful world of AA service. Another thing ASCYPAA does is show the young newcomer that it is not necessary to experience 20 plus years of drinking to figure out you're an alcoholic. This message is very important to our common AA purpose. So let us define YOUNG as an attitude of embracing life, of celebrating recovery, and freedom from alcohol! And of course, young will always be ANYONE who has spiritual growth to do! So if your group or district fit this description, and you want to host an ASCYPAA, or your just interested in how you or your group could help, write to the Arizona State Conference of Young People in AA Advisory Council. We hope to here from you soon.

If you are a young person in AA where there are few other young people, or if you are a member of a young people's group that is not as active as it might be, it is hoped that you will find encouragement in this pamphlet. There are others, like you, who are staying sober in AA and trying to carry the message to new young people. If you have questions or experience to share, please write to:
