Hello,

This is an invitation to bid for the Arizona State Conference State for Young People in Alcoholics Anonymous, ASCYPAA. Each year, one city will host the conference. That city is selected through a bidding process.

Our goal is to have the conference move from city to city and allow young people in all parts of the state to experience this life changing conference.

What is ASCYPAA?

The Arizona State Conference of Young People in Alcoholics Anonymous meets annually. This meeting provides an opportunity for young AA's from all over to come together and share their experience, strength, and hope as young people in Alcoholics Anonymous. ASCYPAA is visible evidence that large numbers of young people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. AA's who attend an ASCYPAA return home better prepared to receive young people who come to AA looking for a better way of life.

How to bid?

To bid you will need to form a committee. This committee then votes members into position to conduct business. The bid committee will hold events to become financially autonomous. The committee will create a bid packet and skit. This will be presented to the advisory committee. We hope that you will feel the fire we felt, to carry the message to the alcoholic through this conference.

In Love & Service,

ASCYPAA Advisory Council
